

Instructions for Senari's Islands Bingo Game

Assembling the Bingo Game.

Print the Bingo Cards (pages 2 – 16)

- Laminate them and cut them apart (30 cards) **OR**
- Put each page in a sheet protector so that each student has 2 bingo cards.

Print 2 copies of the Calling Card file.

- Laminate one, cut it into pieces and store the pieces in a zip-lock bag **OR**
- Put the second copy in a sheet protector.

Playing the game

- 1) Distribute the bingo cards to the students. Students may play as many cards as you wish, just as in regular bingo.
- 2) Distribute markers to the students.
- 3) Calling the items.
 - Draw an item from the pool of items.
 - Say the name of the landform
 - Include the name of the headings so that students will know where to look. The headings used in the Islands Bingo Game are North America, South America, Oceania, Europe and Africa.
 - Place it on the calling card in the sheet protector.
- 4) When a student calls Bingo! check the answers with your calling card. The student must have the answer in the correct column.
