

Instructions for Senari's North America Bingo Game

Assembling the Bingo Game.

Print the Bingo Cards (pages 2 – 16)

- Laminate them and cut them apart (30 cards) **OR**
- Put each page in a sheet protector so that each student has 2 bingo cards.

Print 2 copies of the Calling Card file.

- Laminate one, cut it into pieces and store the pieces in a zip-lock bag **OR**
- Put the second copy in a sheet protector.

Playing the game

- 1) Distribute the bingo cards to the students. Students may play as many cards as you wish, just as in regular bingo.
- 2) Distribute markers to the students.
- 3) Calling the items.
 - Draw an item from the pool of items.
 - Say the name of the landform
 - Include the name of the headings so that students will know where to look. The headings used in the North America Bingo Game are Bays, Straits, Archipelagoes, Capes, and Islands.
 - Place it on the calling card in the sheet protector.
- 4) When a student calls Bingo! check the answers with your calling card. The student must have the answer in the correct column.
